The firm of Underwood, Van Wort & Hoyt, of No. 27 William Street, are the legal representatives of the banking bouse of Ladenburg, Thalmann & Co. and one of the law firm had an interview with Schroeter. He is quoted by Captain McClusky as saying that Schroeter said that the bonds were not his, but belonged to Mrs. Emeline Turner, formerly of Mount Vernon, but now living in London, England. He is also said to have shown a power of attorney to this lawyer, which authorized him to dispose of the property.

Schroeter is described as being a fine-with erect.

#### AN ARMY AND NAVY COLLEGE. Secretary Long Makes a Proposal to

The Secretary of the Navy has sent mmunication to the Secretary of War College, at Newport, R. I., as a school for army officers who will make a specialty of studying coast defence. The offer wil probably be accepted.

Secretary Long and Secretary Root have had under consideration for some time a plan whereby navol and army officers may o-operate in perfecting the coast defence of the country. It is thought that by nferring together the naval and army officers may evolve a better system than officers may evolve a better sys.em than hey could acting independently.

The Naval War College is a large building with abundance of room to accommodate classes of both haval and army officers, and it is expected that the coming summer will see a number of officers together at the War College.
